

## TXA-800HSE - Microphone Transmitter

**Trådløs lommesender**, med UHF PLL teknologi. Matcher transportable forstærkersystemer i TXA-1000, TXA-800 og TXA-800R serien.

- 1 headset-mikrofon (omnidirectional karakteristik), 1 knaphulsmikrofon (cardioid karakteristik)
- 16 UHF frekvenser (863,1-864,9 MHz)
- Metalkabinet
- Mikrofontilslutning via 3-polet mini XLR
- Audio line-indgang via 3,5 mm stereo minijack
- 3-trins justerbar følsomhed
- Mute funktion
- Baggrundsbelyst LCD-indikator for kanal/frekvens og batteristatus
- Sendestyrke: 10 mW (EIRP)
- Strømforsyning: 2 x 1,5 V batteri, størrelse AA (medfølger ikke)
- Bælteclip

**Licensfri i EU.tastenwelt 02/2008**

"The use of the headset is interesting for keyboard players."

## Technical data:

|                            |                           |
|----------------------------|---------------------------|
| Multifrequency             | : 1                       |
| Tie clip microphone        | : 1                       |
| Headband microphone        | : 1                       |
| General information        | :                         |
| Description                | : pocket transmitter      |
| Carrier frequency range    | : 863.1-864.9 MHz         |
| Audio frequency range      | : 70-16,000 Hz            |
| Channels                   | : 1                       |
| THD                        | : -                       |
| Dynamic range              | : -                       |
| Latency                    | :                         |
| RF S/N ratio               | : -                       |
| Operating time             | : -                       |
| Admiss. ambient temp.      | : 0-40 °C                 |
| Power supply               | : -                       |
| Dimensions                 | : -                       |
| Total weight               | : -                       |
| Connections                | : -                       |
| Specifications transmitter | :                         |
| Transmitting power         | : 10 mW                   |
| Operating range            | : 30 m                    |
| Power supply transmitter   | : 2 x 1.5 V batt. AA size |
| Width transmitter          | : 65 mm                   |
| Height transmitter         | : 95 mm                   |
| Depth transmitter          | : 30 mm                   |
| Weight transmitter         | : 110 g                   |
| Connections transmitter    | : 1 x 3-pole mini XLR     |
| Specifications receiver    | : -                       |
| Audio signal receiver      | : -                       |
| Power supply receiver      | : -                       |
| Width receiver             | : -                       |
| Height receiver            | : -                       |
| Depth receiver             | : -                       |
