

## MSC-120/SW - Speaker Cable

### Højttalerkabler "MEGET FLEKSIBLE"

- Med NEUTRIK SPEAKON stik NL-2FX
- Meget fleksibelt kabelmateriale

## Technical data:

|                        |                                   |
|------------------------|-----------------------------------|
| Intended use           | : speakers                        |
| Connectors             | : 2 x NEUTRIK SPEAKON plug NC-2FX |
| Cable specification    | : -                               |
| Length                 | : 20 m                            |
| Spliced                | : -                               |
| Colour                 | : black                           |
| Internal conductor     | : 2 x 2.5 mm <sup>2</sup>         |
| Material               | : -                               |
| No. of cores           | : 2                               |
| Cable diameter         | : -                               |
| Metre marking          | : -                               |
| Minimum bending radius | : -                               |
| Shielding              | : -                               |
| Shielding value        | : -                               |
| Impedance              | : -                               |
| Attenuation            | : -                               |
| Capacitance            | : -                               |
| Power rating           | : -                               |
| Rated current          | : -                               |
| Packaging              | : -                               |
| Weight                 | : 2.25 kg                         |
| Position               | : -                               |
| Special feature        | : -                               |
| Other features         | : -                               |
