

T-421 - DC Socket

Low-voltage panel jack, 5.5/2.1 mm

- Central fixing for 8 mm drill hole
- With switching contact
- Length: 21 mm

Technical data:

Description	: panel jack
Type	: low voltage
Quantity	: 1
Features	: switching contact
Colour/colour coding	: silver
Power rating	: -
Insulating resistance	: -
Dielectric strength	: -
Certification	: -
Pole number	: -
Cable inlet	: -
Suitable cable cross section	: -
Connection	: pin connector/DC plug
Strain relief	: -
Cable bending protection	: -
Stereo	: -
Mono	: -
Switches	: -
Material	: metal
Central fixing	: $\tilde{\sim}$ 8 mm
Contact type	: -
No. of contacts	: -
Contact width	: -
Contact distance	: -
Admiss. ambient temp.	: 0-40 °C
Dimensions	: -
Diameter	: $\tilde{\sim}$ 5.5/2.1 mm
Length	: -
Weight	: 4 g
Other features	: -
