

DN-200 - LS Crossover Network

3-way crossover network for 8 Ohm

- High-quality components
- For general applications

Technical data:

| | |
|---------------------|---------------------|
| General Information | : 3-way |
| Output impedance | : 8 Ohm |
| Crossover frequency | : 700/3,500 Hz |
| Slope/oct. | : 12 dB |
| Max. input power | : 400 W |
| Dimensions | : 243 x 35 x 160 mm |
| Weight | : 1.372 kg |
