(Supplied with felt slipmat)

Recording software is available as freeware on the Internet.

HiFi test TV VIDEO 02/2009

PRICE TIP Price-performance: excellent "The DJP-104USB provides a fast, dynamic and vibrant sound. It is of solid workmanship and allows you to decide the format and data rate during recordings.

OKEY 9-10/2007

"A clever idea: simply connect the turntable directly to the PC via USB cable. The digitalisation is very easy, convenient and quickly done."

Computerbild 19/2007

"With its three-year warranty, the unit was top of the list in the test."
