

## AT-62H - Level Control

### L-pad attenuator

- High-performance level control
- Plastic carrier
- Mono version
- With push-on knob
- Thread length: 10 mm

## Technical data:

|                        |                            |
|------------------------|----------------------------|
| Impedance              | : 8 $\Omega$ Ohm $\pm$ 20% |
| Line input             | : -                        |
| Input control voltage  | : -                        |
| Line output            | : -                        |
| Output control voltage | : -                        |
| Channels               | : mono                     |
| Attenuation            | : 0 dB up to $\infty$ dB   |
| Attenuation direction  | : counterclockwise         |
| Turning angle          | : 300° $\pm$ 5°            |
| Frequency range        | : -                        |
| THD                    | : -                        |
| S/N ratio              | : -                        |
| Power rating           | : 100 W                    |
| Power supply           | : -                        |
| Admiss. ambient temp.  | : 0-40 °C                  |
| Dimensions             | : see drawing              |
| Weight                 | : 119 g                    |
| Connections            | : -                        |
