

## MECN-2000/SW - XLR Extension Cable 20m

### XLR kabler

Line- og mikrofonforlænger kabel.

- Med NEUTRIK stik
- 1 x XLR hunstik og 1 x XLR hanstik, balancerede
- Skærmet støjsvagt OFC kabelmateriale, Ø 6,5 mm

## Technical data:

|                        |                                                     |
|------------------------|-----------------------------------------------------|
| Intended use           | : audio, microphone                                 |
| Connectors             | : 1 x NEUTRIK XLR plug, 1 x NEUTRIK XLR inline jack |
| Cable specification    | : -                                                 |
| Length                 | : 20 m                                              |
| Spliced                | : -                                                 |
| Colour                 | : black                                             |
| Internal conductor     | : -                                                 |
| Material               | : OFC                                               |
| No. of cores           | : 2                                                 |
| Cable diameter         | : $\approx$ 6.5 mm                                  |
| Metre marking          | : -                                                 |
| Minimum bending radius | : -                                                 |
| Shielding              | : yes                                               |
| Shielding value        | : -                                                 |
| Impedance              | : -                                                 |
| Attenuation            | : -                                                 |
| Capacitance            | : -                                                 |
| Power rating           | : -                                                 |
| Rated current          | : -                                                 |
| Packaging              | : -                                                 |
| Weight                 | : 1.042 kg                                          |
| Position               | : -                                                 |
| Special feature        | : balanced                                          |
| Other features         | : -                                                 |
