

## LSIP-120 - Air Coil

OFC

Air core coil, 1.2 mH

High power rating and low resistance due to 1.2 mm wire, distortion-free, perfect midrange and 2-way coils for hi-fi applications.

## Technical data:

|                           |                        |
|---------------------------|------------------------|
| Description               | : air core coil        |
| Nominal value             | : 1.2 mH               |
| Rated voltage             | : -                    |
| Power rating              | : 300 W                |
| Frequency range           | : -                    |
| Housing                   | : -                    |
| Colour/colour coding      | : -                    |
| Enam. copper wire(CUL)    | : $\sim$ 1.2 mm        |
| DC resistance             | : 0.45 Ohm             |
| Saturation current(50 Hz) | : -                    |
| Primary                   | : -                    |
| Secondary                 | : -                    |
| Pin spacing               | : -                    |
| Packing unit              | : 1                    |
| Dimensions                | : $\sim$ 70 mm x 30 mm |
| Weight                    | : 290 g                |
| Pos.                      | : -                    |
| Other features            | : -                    |
