

## ECM-270 - Studio Electret Mike

Professional condenser microphone, for studio applications and live performances. Ideally suited for direct or overhead sound pickup of acoustic instruments and vocals.

- Back electret cardridge with cardioid polar pattern
- Low cut switch
- Selectable 10 dB attenuation
- Electronically balanced output
- Robust brass body of high quality
- Supplied accessories: robust hard-sided case, microphone windshield, microphone support (spider) for 16 mm (?) stand

## Technical data:

|--------------------------------|--------------------------|
| Description                    | : electret microphone    |
| Version                        | : -                      |
| Transmission method            | : cable                  |
| Polar pattern                  | : cardioid               |
| System                         | : back electret          |
| Carrier frequency range        | : -                      |
| Transmitting power             | : -                      |
| Power supply                   | : -                      |
| Operating time                 | : -                      |
| Audio frequency range          | : 50-18,000 Hz           |
| Nominal impedance              | : 200 Ohm                |
| Sensitivity                    | : 5.6 mV/Pa              |
| S/N ratio                      | : ? 60 dB                |
| Max. sound pressure            | : 135 dB                 |
| Power supply                   | : DC 48 V, phantom power |
| Gooseneck length               | : -                      |
| Housing material               | : brass                  |
| Admiss. ambient temp.          | : 0-40 °C                |
| Dimensions                     | : Å~ 20 mm x 150 mm      |
| Weight                         | : 140 g                  |
| Cable                          | : -                      |
| Connection                     | : XLR, bal.              |
| Packing dimensions (W x H x L) | : 0.285 x 0.08 x 0.22 m  |
| Gross weight                   | : 0.621 kg               |
| Net weight                     | : 0.191 kg               |
