

# WP18-12SHR - Lead Battery

new

Rechargeable lead battery, 12 V,  
suitable for portable PA speaker system SKYROCK.

- 12 V/18 Ah
- Maintenance-free, hermetically sealed
- Dimensions: 181 x 167 x 76 mm
- Weight: 5.6 kg

## Technical data:

|                              |                            |
|------------------------------|----------------------------|
| Rated voltage                | : 12 V                     |
| Type                         | : -                        |
| IEC                          | : -                        |
