

NAUSB-3 - USB Chassis Connector

The NAUSB-3 is a reversible USB 3.0 feed-through adapter. The standardised D series body fits standard patch panels and provides additional protection for the plug-in connector.
USB 3.0 feed-through panel jack

- Reversible adapter for feed-through direction: Type-A/B or Type-B/A
- Removable ground connection
- D series
- Complies with USB 3.0 specifications
