

DN-1 - LS Crossover Network

2-way crossover network for 8 Ohm

- Basic 6-dB crossover network
- Low-pass filter with air core coil
- High-pass filter with frequency capacitor

Technical data:

General Information	: 2-way
Output impedance	: 8 Ohm
Crossover frequency	: 2,500 Hz
Slope/oct.	: 6 dB
Max. input power	: 60 W
Dimensions	: 68 x 30 x 54 mm
Weight	: 75 g
