

## DRM-884RC - Paging Microphone

PA zone paging microphone,  
for audio matrix router DRM-884.

- LCD for selected zones (1-32), volume and ID number
- LED indication for signal status
- Volume control (assignable for each zone)
- Zone selector control
- Momentary push-to-talk button
- Plug-in electret gooseneck microphone (NEUTRIK 3-pole XLR jack)
- USB port for loading sound files containing chimes
- Power supply via audio matrix router DRM-884
- Connection to DRM-884 via RJ45 jack and Cat. 5e network cable (supplied w/o cable), cable length up to 100 m

## Technical data:

|                                |                             |
|--------------------------------|-----------------------------|
| Description                    | : PA zone paging microphone |
| Version                        | : -                         |
| Transmission method            | : cable                     |
| Polar pattern                  | : -                         |
| System                         | : -                         |
| Carrier frequency range        | : -                         |
| Transmitting power             | : -                         |
| Power supply                   | : -                         |
| Operating time                 | : -                         |
| Audio frequency range          | : -                         |
| Nominal impedance              | : -                         |
| Sensitivity                    | : -                         |
| S/N ratio                      | : -                         |
| Max. sound pressure            | : -                         |
| Power supply                   | : -                         |
| Gooseneck length               | : 310 mm                    |
| Housing material               | : -                         |
| Admiss. ambient temp.          | : 0-40 °C                   |
| Dimensions                     | : 176 x 70 x 162 mm         |
| Weight                         | : 811 g                     |
| Cable                          | : -                         |
| Connection                     | : RJ45, micro USB           |
| Packing dimensions (W x H x L) | : 0.255 x 0.105 x 0.395 m   |
| Gross weight                   | : 1.197 kg                  |
| Net weight                     | : 0.811 kg                  |
